

SEAMO POLICY

**Subject: Clinician Scientist Program Committee
Terms of Reference**

Number: 10-03-D

Approved by: SEAMO Governing Committee

Page: 1 of 1
Original Issue: 2010 Dec 07
Effective Date: 2010 Dec 07
Revised: New

1. Purpose

Manage the application and review processes for the New Clinician Scientist Initiative (NCSI) and the Clinician Scientist Development Initiative (CSDI).

2. Membership

- i. 8 SEAMO physicians with experience as clinician scientists
- ii. 2 non-SEAMO scientists from the Faculty of Health Sciences
- iii. Vice Dean, Research/Vice-President Research, Kingston General Hospital
- iv. Vice Dean, Academic (non-voting)
- v. Executive Director, SEAMO (non-voting), who shall serve as secretary to the Committee

3. Primary Responsibilities

- i. Establish and maintain effective and efficient application and review processes for the NCSP and CSDP.
- ii. Evaluate new and renewal applications for funding from the NCSP and CSDP.
- iii. Make recommendation to the Strategic Priorities and Recruitment Committee (SPRC) regarding funding of candidates for the NCSP and CSDP.

4. Reporting

The Committee is advisory to the Strategic Priorities and Recruitment Committee.

5. Support

SEAMO secretariat.
