EIGHT PROJECTS SUPPORTED FOR INNOVATION FUNDING

At its regular meeting, February 02, the SEAMO Governing Committee approved the submission of eight projects for 2009-10 Innovation Fund support. These projects were recommended by a review committee under the leadership of committee chair Roger Deeley and members Rob Brison and Jim Brien. The Governing Committee thanks the committee and the reviewers who agreed to participate in the peer review process.

Name of Project	Duration of Project	Total Cost of Project (all years)	Total Innovation Fund (all years) requested	Innovation Fund \$ request Year 1	Innovation Fund \$ request Year 2	This year's request is for Year (1 or 2)?
