

Request for a Family Physician

Residents, please submit this form to postgradwellness@queensu.ca

Faculty, please submit this form to seamo.physicianwellness@queensu.ca

Please note your request may take up to several months as most physicians in the KFLA region have a full patient roster. If you have an urgent health care need please note below.

Residents and Fellows are able to access a family physician for themselves through Student Wellness Services using their student number.
