Changes to Fax Submission Numbers

On December 31, 2021, the OHIP Claims Processing offices are moving to a centralized fax system. If you are in the process of moving to eSubmit, but need to continue submitting documents by fax, please be advised that the **new** centralized number for Remittance Advice Inquiries (RAIs) & Supporting Documentation (manual review) will be 905-434-4186 only.

Prior Approval Request Forms for Surgical, Dental and Sleep Studies should be faxed to 905-434-3712 only.

The **new** fax numbers are active and available for use immediately. All other fax numbers **will be de-activated** effective December 31, 2021.

Consider a Better Alternative to Fax

If you have access to Medical Claims Electronic Data Transfer (MCEDT) you already have access and the ability to use eSubmit. eSubmit is a fast, secure, and reliable way to send your RAIs and Supporting Documentation (manual review) to the ministry.

eSubmit gives you the benefit of:

- Safe and secure transmission of Personal Health Information (PHI)
- Faster response time
- RAI responses are sent directly to your MCEDT mailbox
- Requests for additional information are sent directly to your MCEDT mailbox and will detail the specific information required to process your submission
- Instant data validation, avoiding needless keying errors
- No delays from returns by fax or mail
- Electronic receipt confirmation and ticket number on all submissions

- Easy submission tracking
- 24/7 availability of the eSubmit service (except for weekly scheduled system maintenance - Sunday mornings 1am to 5am and Wednesday mornings 5am to 8am)

If you would like to learn more about eSubmit, please [contact our Service Support Contact Centre by email <mailto:SSContactCentre.MOH@ontario.ca>](mailto:SSContactCentre.MOH@ontario.ca) or telephone 1-800-262-6524 or see our website for more information at [OHIP – eSubmit – Publications – Health Care Professionals – MOH \(gov.on.ca\)](http://www.health.gov.on.ca/en/pro/publications/ohip/esubmit.aspx)
