

# IFPOC WEBSITE RELAUNCH

**IFPOC is proud to present enhanced search capabilities of our over 1000 research projects!**

## **Increase Collaboration**

Identify project teams working on similar areas to enable:

- communication across multiple centres
- browse outcomes in your field

## **Improve Project Review & Selection**

Administrators and Reviewers can identify similar projects (underway and completed) and provide feedback to Project Leads

## **Enhance Exposure**

Spotlight IF projects to internal and external stakeholders or potential collaborators in healthcare and commercial partners

**Take advantage, start here!**

**IFPOC**

# 4 WAYS TO SEARCH

**1.**

## **Project Title or Word in Title**

Search for a word of interest for projects with that word in the title

**2.**

## **Keywords**

Search by up to 5 project keywords to narrow your search. Project Leads have assigned keywords to each of their projects

**3.**

## **Governance Organizations**

View all projects within your own or any other single GO

**4**

## **Project Codes**

Quick search for a known project by code

**Take advantage, start here!**
